SECTION 2: BUSINESS REFERRERS POLICIES

<p>MISSION:</p> <p>Business Brekkie Partners is a membership-based business networking and referral group which meets weekly for breakfast. The mission of the group is 'to nurture the entrepreneurial spirit through the sharing of knowledge and networks' built on a culture of trust and collaboration.</p> <p>We run a structured agenda and use team and individual performance measures to drive the overall success of the group.</p>
<p>VALUES: Honesty, Trust, Integrity, Respect, Professionalism, Comradery & Commitment</p>
<p>GENERAL POLICIES:</p> <ol style="list-style-type: none"> 1. Only one person from each professional classification is permitted to join BBP. The BBP Leadership Team has final authority relating to classification conflicts. 2. Attendance is critical to the group. Members must attend weekly. The weekly meetings last for 90 minutes. Members need to arrive on time and stay for the entire meeting. If a member cannot attend, you may send a substitute (not a member of BBP) to the meeting. This will not count as an absence. A member is allowed three absences every six months. More than this and the member's classification is subject to being opened by the BBP Leadership Team. 3. Members are asked each week to submit their activity comprising referrals, referral values received, business chats undertaken with fellow members, and attending guest details. 4. Members are required to bring bona fide referrals (not simply leads) and/or guests to BBP. 5. Guests may attend BBP meetings up to two times prior to having to formally join BBP. 6. Business Development chats are bona fide discussions designed to grow each member's referral potential. 7. Designated speakers may use their allocated time for any business need e.g. a marketing presentation, product development, market research etc. 8. Only medical leave applies as a reason for absence. Substitutes are still recommended during medical leave. 9. It is the member's responsibility to file a concern with the Leadership Team if a visitor who submits an application in any way conflicts with their classification. This should be done before the visitor is approved for membership. If there are no complaints, the Leadership Team will "assume their consent."
